

Craft Business for Sale

Background- “Sea Beans with Style” is a craft business that specializes in the creation of beautiful jewelry and accessories created from tropical drift seeds (sea beans). The business has been operating for almost 10 years, including craft show participation as well as web site sales. The business is unique, with little or no competition within the craft show industry.

Equipment to be included:

Tent- 10' by 10' TRIM LINE domed tent.

- Galvanized metal framework, including interior French door for privacy
- All waterproof side curtains
- Full sized mesh panels for sides, ¾ size back panel, and mesh panel for French door
- Front and back sunshades, 2' and 4' width, including galvanized frames
- 4 canvas bag tent weights, filled with wet sand, approximately 40 lbs. each
- Carrying bags for roof and mesh panels

Tent equipment:

- 4 2' by 4' folding display tables with fitted table cloths
- Folding utility stool

Display racks/other: including

- Earring rack
- Fan Pull rack
- Rotating key chain display rack
- Rotating rack for short necklaces
- Flat rack for large necklaces
- Rack for bracelets
- Signage for tent

Production equipment for sanding and polishing the sea beans, including:

- 4 Thembler rotating tumblers, 15 lb. capacity each
- Grit for sanding.
- Crushed walnut shell
- Special paste for polishing sea beans

Jewelry making supplies:

- Approximately 1000 beans of different species, in various stages of sanding and polishing
- All remaining inventory that has been made
- Extensive inventory of beads (\$8000 value)

- Plastic inventory boxes for bead storage
- Leather cord, screw eyes
- Wire, other supplies for making key chains
- Various hand tools

Office Furniture:

- Three - 6 drawer **Ikea** storage units
- One- 9 drawer **Ikea** storage unit
- Two work tables with chairs

Additional Supplies:

- Gift bags for finished products
- Story cards explaining sea beans and their travels

Other provisions:

- Ownership of our trademarked "Bracelet Boa"
- Functioning website, with on-line store, as well as numerous active domain names

Most importantly, we will provide an introduction to our reliable African Bean Agent, and an explanation as to how we interact with him to obtain the requisite sea beans.

In addition to the equipment listed above, we will provide the following, if requested:

- Instruction/training regarding the sanding and polishing of the sea beans
- Drilling of sea beans for various jewelry pieces
- Instruction in the various terminal attachments for different jewelry pieces

This craft business has been operated profitably for 10 years, and provides multiple other tax and financial benefits.

Price

Price for the business is negotiable.
