The ever-popular *The Little Book of Sea-Beans* will also be available. \*October is still HURRICANE SEASON in Florida, so our schedule is at the mercy of the powers beyond our control. Hurricanes are wonderful for beanning, but can be dangerous for beachwalkers. Our beachcombing and Symposium activities may be cancelled because of severe weather, in which case we’ll follow evacuation procedures to the mainland. Hurricane information will be available at your hotel and at the library.
